That is much easier than you trying to search for it in the mess that is the workspace! 😊

ED_005478_EPA-R3-2021-002004 DuPont Wash Works - Neil B. 2nd Level Review -

non-responsive based on revised scope

Here is how you filter for the 60:

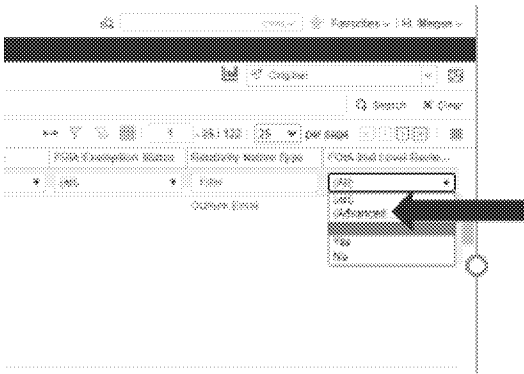

Click on the drop down menu in the "FOIA 2nd Level Review Complete" field

The screenshot shows a table with five columns: FOIA Responsiveness, FOIA Disposition, FOIA Exemption Status, Relativity Native Type, and FOIA 2nd Level Review Complete. Each column has a dropdown menu. The 'FOIA 2nd Level Review Complete' dropdown is circled. Below the table, there are labels: 'Responsive' under the first column, 'Release in Full' under the second, and 'Outlook Email' under the third. The table also includes a search bar at the top with a magnifying glass icon and a 'per page' dropdown set to 25.

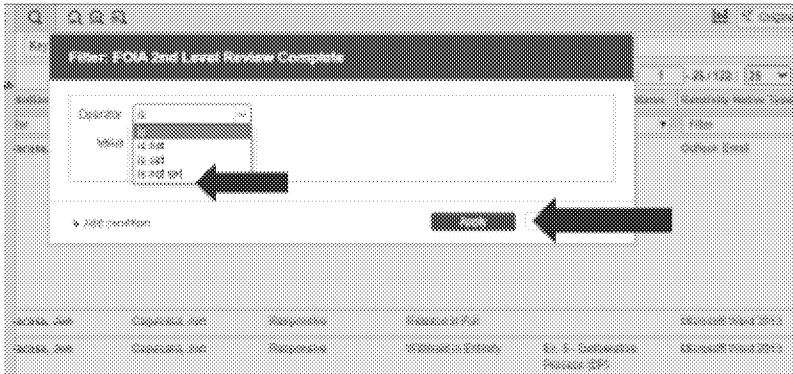

FOIA Responsiveness	FOIA Disposition	FOIA Exemption Status	Relativity Native Type	FOIA 2nd Level Review Complete
(All)	(All)	(All)	Filter	(All)

Responsive Release in Full Outlook Email

Then select "Advanced"

Finally, select “is not set”, then “Apply”
